Алгоритм действия такой:

1. Ознакомьтесь с содержанием текста.
2. Сделайте перевод текста.
3. Сделать упражнения.

Learning English is very interesting and exciting. Four hundred million people speak English, as it is their mother tongue, six hundred million people learn English as foreign one. English is the official language in many countries around the world. English is the language of politics and diplomacy, science and technology, business and trade, sports and music.

English is very popular, it is studied in many schools and universities. Now many people study English. So why do they do it? Someone wants to work or study abroad, someone who likes to travel and wants to travel around the entire planet and teaches English as an international language, while others simply enjoy the new knowledge.

So why do I need English? English language is an international language in which you communicate over the world. Therefore, we must learn it, if you want to go abroad to study, find new friends, communicate freely abroad, study the culture of any country, customs, traditions and literature. English may be useful in many professions, such as a manager, a programmer, a businessman, an advertiser, and so on. Studying in England is very promising and now to know English is very profitable. English knowledge is a sign of a good education and intelligence.
