## **Hobby in Britain.**

### **Have you got any hobby?**

Hobbies are a great British tradition. A «hobby» is usually something that a person does alone. But American (and British) families sometimes like to do things together too. Some British families have quite a lot of money to spend on their recreation. They can all enjoy their holiday home or somewhere in the country away from it. Americans love to get out of town into the wild and many go for holidays .

Some people have animals as hobbies. They keep rabbits or go fishing. They train dogs to do tricks or keep pigeons to race and carry messages. Some are crazy about plants.

Others are mad about their car or their motorbike. They spend their Saturdays and Sundays washing them and painting them. Children and teenagers are great collectors. Millions take part-time courses in writing, painting and music and at the weekends the museums, art galleries and concert halls are full. Everyone in these countries is very interested in culture.
